Summer Passport 2011 – Photography Consent

When signing up for a Passport, applicants will be required to have their photo taken. This photograph will be stored on our internal database to ensure that the passport is only used by the intended person.

Consent to this photograph is a mandatory requirement for all *passport to summer* applicants, please show your consent to this photograph below:

I give consent to a photograph being taken of my child and used solely for internal identification purposes

Additionally, there may be instances where photographers will be taking pictures within our venues during the Summer Holidays for use on promotional material and our website. This is a voluntary option, but if you are happy for your child to be included, please show your consent below.

I give consent to my child(ren) being included on photos to be used for promotional material and the DCLT website
